

## *This week at Ludlow Elementary School . . . .*

This was a short and fast week at LES.

On the in-service day the faculty attended either a reading or math professional development opportunity. These opportunities give the professional staff a chance to speak with their colleagues within our supervisory union. These scheduled events give the staff time to discuss assessments that are new or assessments being used in each school. The more these conversations can take place, the more consistent the supervisory union curriculum gets.

We are off to a great start to the Winter Sports Program. The students are really enjoying their time outside and the exercise they are getting. This is the first time in a long time that the Winter Sports Program has had 3 consecutive days of beautiful weather to either ski or skate. I hope it will continue.

Next week, Ms. Ryan's second grade class is spearheading a fundraiser to benefit Liz (Livingston) Hindinger who is recovering from a stroke. The second graders will be holding a bake sale on Tuesday, January 26<sup>th</sup>. The items for sale will range from \$.25 to \$1.00. If anyone would like to donate items for the bake sale, please bring them into Ms. Ryan's room on Monday the 25<sup>th</sup> or Tuesday the 26<sup>th</sup>. Items will be on sale all day Tuesday.

I hope you all have a nice weekend.

Karen Trimboli  
Principal
