

This week at Ludlow Elementary School

Ludlow Elementary School is off to a wonderful start. It was exciting to see all our students coming to school eager to meet their teachers, connect with their friends, and ready to learn new things.

I want to thank the custodial staff for getting our school ready for the school year. It a pleasure to come to a school that shows pride and respect for its building. The custodial staff is an important piece of that feeling. Thank you!

This year we have a new food service program. The food service is the Abbey Group and they are doing a terrific job meeting our school's dietary requirements and needs. The food service staff has been open to our suggestions and each day the food service gets smoother as our students learn the new system.

Homework Power Hour will start on Tuesday, September 8th. Power Hour runs Monday through Thursday from 2:35 to 3:35. Parents need to promptly pick up their child(ren) at 3:35 unless they are signed up for the After School Program activity. There is no bus service for Homework Power Hour.

The After School Program (ASP) also starts on Tuesday, September 8th. Students must attend the Homework Power Hour and be pre-paid and signed up in order to participate in the ASP activities. The ASP runs Monday through Thursday from 3:35 to 5:15 and on Friday from 2:35 to 5:15. There will be a bus for ASP at 5:15. If you need further information on the program please contact Venissa White at 802-875-1129 or 802-591-1661.

I want to encourage all parents to please fill out and return the school forms that were sent home with your children so we can update the Alert Now emergency system and other student/home information.

Next week:

Sept. 9

Sept. 10

Gr. 3 Informational Night at 6:30

Welcome Back/Open House Barbeque at 5:00

Karen Trimboli
Principal

Date: September 4, 2009
